Motorized TV Wall Mount

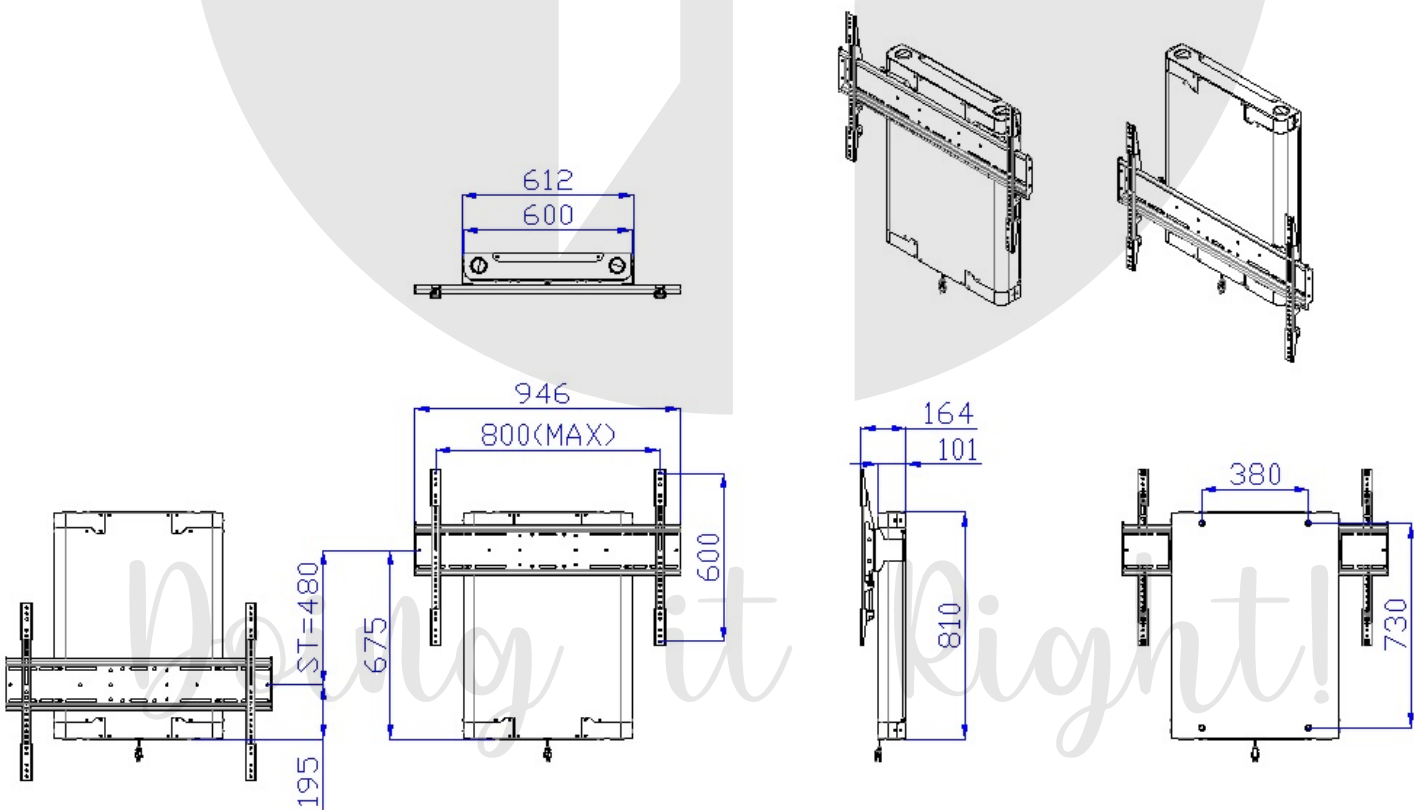

DESCRIPTION

The Motorized TV Wall Mount (TF-8940B) is designed for large televisions, offering a sleek and functional solution for wall mounting. With a motorized mechanism, it allows easy height adjustment, ensuring optimal viewing angles for any TV between 37-100 inches. Its durable construction supports up to 150 kg, making it suitable for even the heaviest screens. The product is VESA compliant, supporting mounting holes up to 800×600 mm, and includes all necessary hardware for a quick and simple installation.

FEATURES

- Motorized Adjustment: Effortlessly adjust the height of your TV for optimal viewing comfort.
- High Weight Capacity: Supports TVs weighing up to 150 kg.
- Low Profile Design: Keeps the TV close to the wall for a sleek, modern look.
- VESA Compatibility: Fits TVs with mounting holes up to 800×600 mm.
- Wide TV Compatibility: Accommodates most 37-100 inch TVs.
- Complete Installation Kit: Comes with a full hardware kit for easy installation.
