Doing it Right!

## TV COMPATIBILITY:

- **Adjustable Height:** The drop-down height from 860 to 3130 mm, providing flexibility for various installation environments.
- **Tilt and Swivel Flexibility:** Supports  $-5^{\circ}$  to  $+10^{\circ}$  tilt and  $\pm 5^{\circ}$  swivel adjustment, with  $90^{\circ}$  rotation for optimal viewing angles.
- **VESA Compatibility:** Supports VESA patterns up to 600x400 mm, accommodating a wide range of TVs from 42" to 86".
- **Durable Construction:** Heavy-duty pole design ensures stable and reliable performance, supporting TVs up to 50 kg (110 lbs).
- **Cable Management:** Built-in cable management system keeps cables neat and organized.
