Doing it Right!

TV COMPATIBILITY:

- **Dual-Arm Stability:** Engineered with a heavy-duty dual-arm design to securely support larger screens with minimal vibration.
- **Full Motion Flexibility:** Offers extensive tilt, swivel, and extension capabilities, allowing you to eliminate glare and adjust the screen for any seat in the room.
- **Universal Compatibility:** Features a versatile bracket system designed to fit a wide range of VESA patterns and TV sizes.
- **Built-in Leveling:** Includes an integrated bubble level on the front plate to ensure a perfectly straight installation every time.
- **Space-Saving Design:** Articulates smoothly to extend for viewing or retract close to the wall for a sleek, low-profile appearance.
