Product Description

The TF-TL-1810 Dual Motor TV Lift is a premium motorized lifting solution designed for large flat-screen televisions. Built with dual-motor technology, it ensures smooth, stable, and reliable lifting for TVs ranging from 65" to 100". With an adjustable height range of 990mm to 2490mm, it offers flexibility for various viewing preferences while supporting up to 100kg. Its robust design and advanced control system make it ideal for both residential and professional installations where elegance and convenience meet functionality.

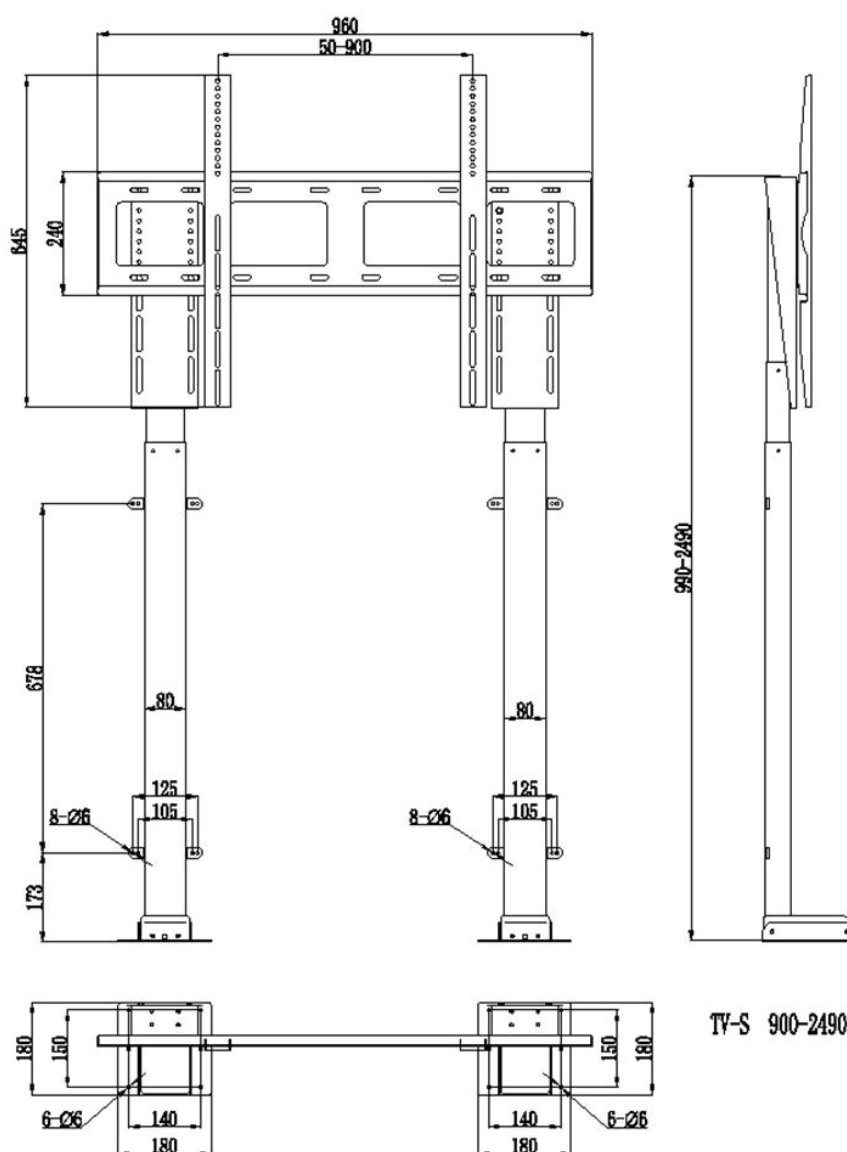

Doing it Right!

TV COMPATIBILITY:

- **Wide Compatibility** – Supports large TVs from 65" to 100" with VESA mounting up to 900 x 600mm.
- **Strong Load Capacity** – Handles TVs weighing up to 100kg, ensuring durability and reliability.
- **Dual Motor System** – Provides smooth, stable, and quiet lifting operation.
- **Flexible Height Adjustment** – Extends from 990mm to 2490mm for customizable viewing positions.
- **Convenient Control** – Comes with RF remote control and manual option for ease of use.
