Doing it Right!

PRODUCT DESCRIPTION:

The **KLC M520 Full Motion TV Mount** is a versatile and durable mounting solution designed for 17"-35" screens, offering smooth adjustability and strong support for devices up to 12 kg. Its extendable dual-arm structure provides a reach of 450-505 mm, allowing precise positioning for workspaces, home setups, and commercial displays. With flexible tilt control, 360° rotation, and universal VESA compatibility (75×75 mm / 100×100 mm), this mount ensures an optimal viewing experience from any angle. Built with high-quality materials and engineered for stability, the KLC M520 delivers reliability, ease of installation, and long-lasting performance.
