TV COMPATIBILITY:

- **Quick-Release Pop-Out Mechanism:** Gentle push-to-pop system provides extended clearance for fast screen installation, wiring access, and easy maintenance.
- **Precision Micro-Adjustments:** Toolless 8-point screen leveling, height, and lateral alignment controls ensure a seamless matrix across display panels.
- **Pop-Out Safety Lock & Anti-Theft Protection:** Built-in safety latches prevent accidental screen pop-outs, with dedicated padlock holes for security in public spaces.
- **Modular & Connectable Design:** Interlocking wall plates and shift brackets simplify multi-screen configurations and menu board expansions.
- **Heavy-Duty Steel Construction:** Built with reinforced high-gauge steel to provide maximum stability and support heavy commercial displays.
