

MOBILE STAND WHITEBOARD 90X120

The BEETEC Whiteboard 90 × 120 cm Magnetic Board is a durable and versatile writing surface designed for classrooms, offices, training centers, and home workspaces. Its spacious dry-erase surface allows for smooth writing and easy erasing without stains, while the magnetic feature lets you attach notes, charts, and documents for better presentations and organization. Built with a strong aluminum frame and protected corners, the BEETEC whiteboard is made for long-lasting daily use. Whether you're teaching, presenting, or planning, this board provides a clean, professional space to visualize ideas clearly.

Doing it Right!

TV COMPATIBILITY:

- **Large 90 × 120 cm writing surface:** Offers plenty of space for notes, diagrams, schedules, and presentations — ideal for classrooms, offices, or home use.
- **Magnetic dry-erase surface:** Attach documents, reminders, and charts with magnets while enjoying a smooth writing experience with dry-erase markers.
- **Easy-clean & stain-resistant:** Designed to prevent ghosting and marker residue, keeping the board clean and clear for long-term use.
- **Durable aluminium frame:** Strong, lightweight frame with protective ABS corners adds stability and prevents damage.
- **Wall-mountable design:** Comes ready for easy installation, providing a secure and permanent setup for any space.
- **Multi-purpose use:** Perfect for teaching, meetings, brainstorming, planning, task management, and creative work.
