This unique nice looking motorized mobile display cart NB-G85 is designed to provide moveable large screen solutions to ease your mobility of entertainment, lectures, meeting, conference and exhibitions. Fits most 55"-80" LCD or LED flat panel TVs. NB-G85 is piece of innovative mobile display designed include a high tensile solid steel base, and a dual heavy-duty anodized aluminum alloy columns to withstand an overall 100 lbs (45.5 kg) load. With installed 4" heavy duty brake castors, you have no problems to maneuvers this piece of equipment to any corners in your workplaces or sites.

What's more, with added 110 or 240 AC auto swap high torque motorized cylinder system integrated with a 24 voltages DC linear actuator, given the stroke of 300mm travelling distance enable you to lift screen right up to 1.5 meter high without harassment, as easy as a kid can do.

NB-G85 is a modular block designed to shorten your assemble and disassemble time and less problematic during the processes.

NB-G85 motorized lift-screen cart is highly mobility and space saver. It comes in black or white color.
