ERGONOMIC GAS-SPRING MULTIFUNCTIONAL DESK MOUNT

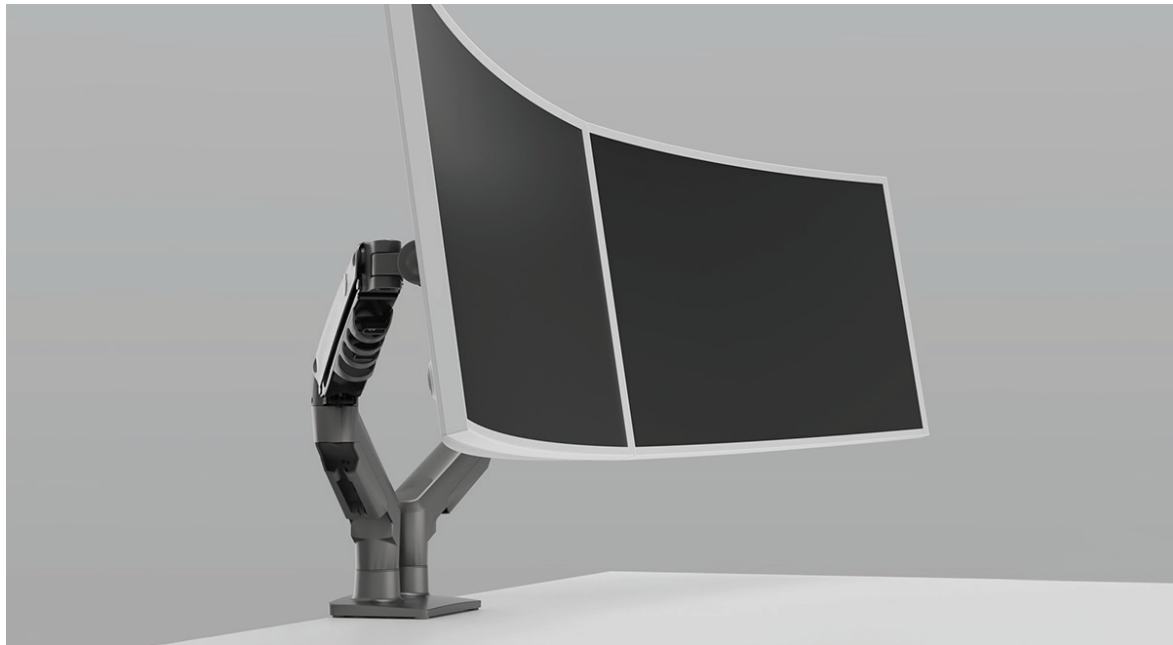

**Product Description:**

This dual monitor arm is designed to support two monitors between 17" and 27" with a weight range of 4.4 to 19.8 lbs (2 to 9 kg) per arm. It provides flexibility and ergonomics for optimal screen placement, supporting standard VESA mount sizes of 75x75mm and 100x100mm. The mount allows for various adjustments, including tilt, swivel, and rotation, for enhanced comfort and screen visibility.

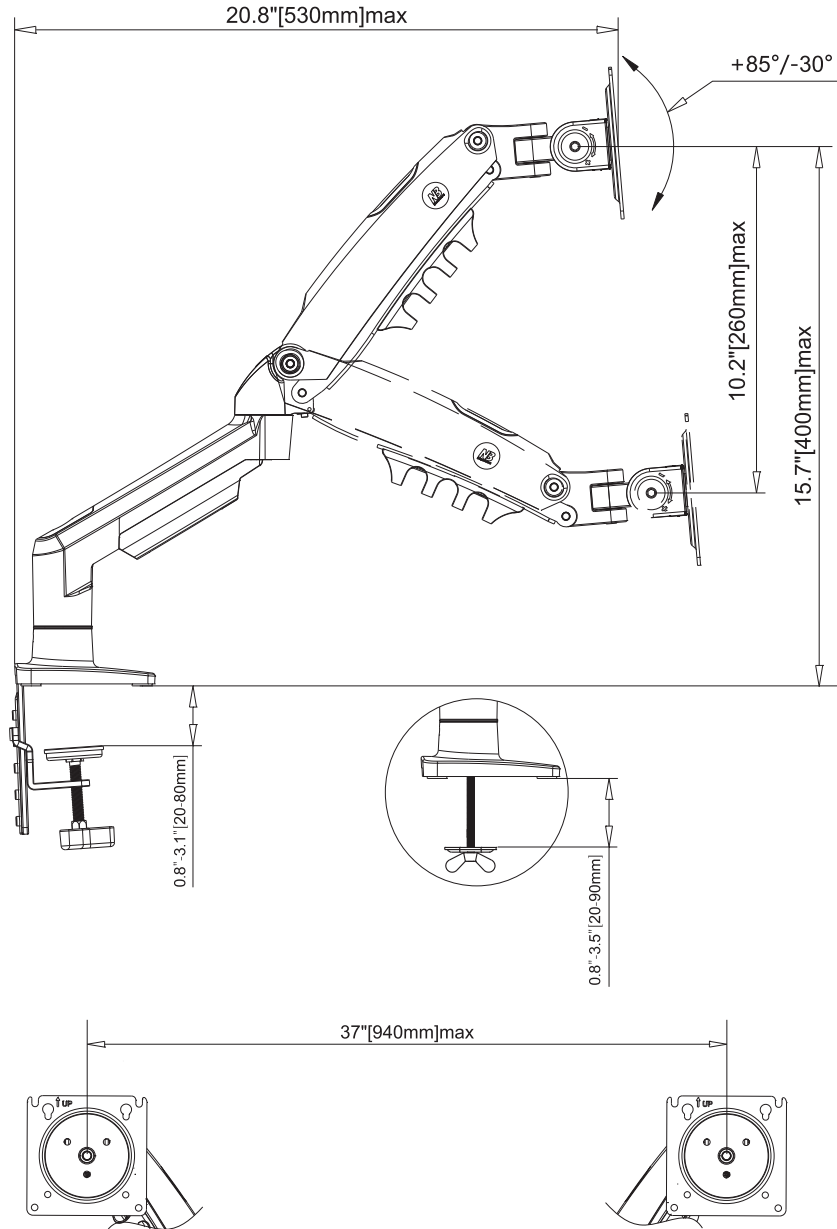

Key Features:

- Suitable for monitors between 17" and 27".
- Each arm can support monitors weighing between 4.4 lbs to 19.8 lbs (2 to 9 kg).
- Supports VESA mount sizes of 75x75mm and 100x100mm, ensuring wide compatibility with most monitors.
- The arm has a vertical lift adjustment of 10.2" (260mm), allowing monitors to be positioned at a comfortable viewing height.
- Each monitor can be swiveled up to $\pm 90^\circ$, providing flexibility for multi-monitor setups.
- Full 360° rotation, allowing users to easily switch between portrait and landscape orientations.
- The monitors can be tilted from $+85^\circ$ to -30° , giving control over glare and ensuring optimal screen visibility.
- The arm extends up to 20.8" (530mm), offering a broad range of positioning options.
