

Doing it Right!

RFIVER MT6003 MOBILE TV CARTS

Transform your home entertainment with this all-in-one mobile media console. Combining an industrial-strength TV mount with an elegant three-tier shelving system, this stand is designed to harmonize with modern aesthetics while providing ultimate functionality. Whether you are gaming in the living room or hosting a movie night, the smooth-rolling casters and wide, stable base allow you to move your entire theater setup with ease.

Crafted for durability and style, the unit features a sleek matte finish and a heavy-duty reinforced base that ensures your premium display remains secure. With its high weight capacity and integrated storage for consoles, speakers, and decor, it is the perfect centerpiece for a clean, cable-free home environment.

TV COMPATIBILITY:

- **Massive Screen Compatibility:** Securely fits most 40" to 86" flat or curved televisions with VESA mounting patterns ranging from 100x100mm up to 800x600mm.
- **Superior Load Capacity:** Engineered to support a maximum TV load of 90kg (approx. 198lbs), with three reinforced shelves each capable of holding 20kg of media equipment.
- **Customizable Viewing Heights:** Features 4 levels of height adjustment, allowing you to set the TV center between 1373mm and 1598mm for an optimized viewing experience from any seat.
- **Industrial-Strength Stability:** Built with a heavy-duty 950mm wide base and high-quality locking casters that enhance overall stability while providing 360-degree mobility.
- **Spacious Media Storage:** Includes a three-tier console design with 256mm of vertical space between shelves, providing ample room for large receivers, gaming consoles, and soundbars.
