TF1201

Rfiver Floor TV Stand with Round Glass Base

DESCRIPTION

Introducing the Floor TV Stand with Round Glass Base TF1201 a sleek and modern solution designed to enhance your television viewing experience. This stand is compatible with 32" to 65" LCD and LED TVs, offering both style and functionality.

FEATURES

Elegant Round Glass Base: The stand features a heavy-duty, stable round tempered glass base that not only provides robust support but also adds a touch of elegance to any room.

Swivel Functionality: Enjoy optimal viewing angles with a $\pm 90^\circ$ swivel feature, allowing you to adjust the TV position to suit your seating arrangement.

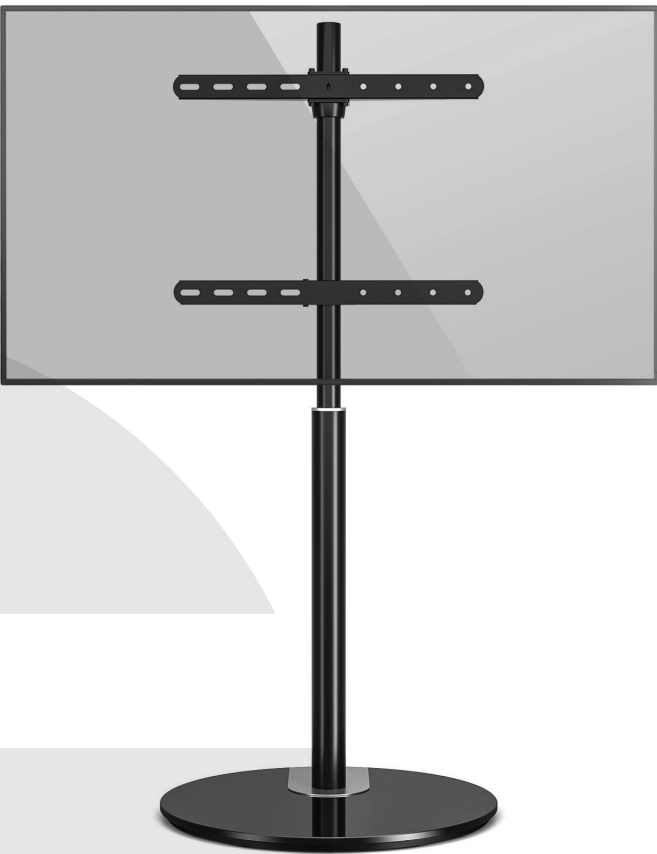

Height Adjustable: Customize your viewing experience with adjustable height settings ranging from 900mm to 1295mm, ensuring comfort and reducing glare.

Universal Compatibility: Supports VESA mounting patterns from 100x100mm to 400x400mm, making it suitable for a wide range of TV models within the 32"-65" size range.

Sturdy Construction: Constructed from alloy steel and tempered glass, the stand supports TVs up to 88 lbs (40 kg), ensuring stability and durability.

Cable Management: Integrated cable management system keeps your entertainment area organized and clutter-free by concealing wires within the stand.
