TF1202

Floor TV Stand with Semi Round Glass Base

DESCRIPTION

Introducing the Floor TV Stand with Semi-Round Glass Base TF1202 a sleek and space-saving solution designed to enhance your television viewing experience. This stand combines modern aesthetics with practical features, making it an ideal addition to any room.

FEATURES

Space-Saving Design: The minimalist semi-circular tempered glass base not only adds a touch of elegance but also allows the stand to fit seamlessly into corners or narrow spaces, making it perfect for bedrooms, living rooms, or meeting areas.

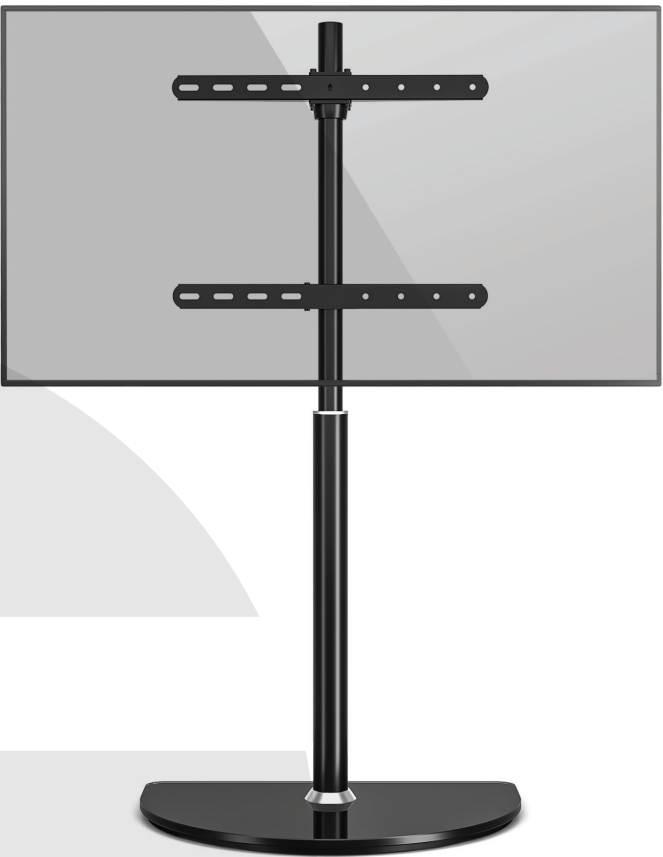

Universal TV Compatibility: Supports a wide range of TV sizes from 32" to 65", accommodating VESA mounting patterns from 100x100mm to 400x400mm. The sturdy construction can hold TVs weighing up to 88 lbs (40 kg).

Swivel and Height Adjustability: Enjoy optimal viewing angles with a $\pm 25^\circ$ swivel feature, and adjust the height between 900mm to 1295mm to suit your preferences, ensuring a comfortable and personalized viewing experience.

Integrated Cable Management: Keep your entertainment area organized with the built-in cable management system, which conceals wires within the stand for a clean and tidy appearance.

Easy Installation: The stand comes with a comprehensive manual and pre-labeled parts, making assembly straightforward and hassle-free. Non-slip mats are included to ensure safety and protect your floors from scratches.
