RFIVER TF1203 MOBILE TV CARTS

Elevate your viewing experience and reclaim your space with this sleek, minimalist mobile TV stand. Designed for those who value both form and function, this stand offers a sophisticated alternative to bulky media consoles. Whether you're repositioning your screen for a movie night, a gaming session, or a professional presentation, its effortless mobility and versatile adjustments ensure the perfect angle every time.

Available in both crisp white and classic black, its low-profile circular base and hidden casters allow it to blend seamlessly into any modern interior, from minimalist living rooms to high-end offices.

TV COMPATIBILITY:

- **Universal Compatibility:** Supports a wide range of flat and curved screens from 32" to 65", making it a versatile choice for almost any modern television.
- **Flexible Viewing Angles:** Features a $\pm 90^\circ$ swivel range, allowing you to easily rotate the screen toward the kitchen, sofa, or dining area without moving the entire unit.
- **Customizable Height:** The telescoping center pole provides adjustable height settings ranging from 1100mm (43.3") to 1220mm (48"), ensuring optimal eye-level alignment.
- **Heavy-Duty Stability:** Built to be as "tough" as it is "sleek," it boasts a maximum weight capacity of 40kg (88lbs) and is compatible with multiple VESA patterns (up to 400x400mm).
- **Seamless Mobility:** Equipped with 360° smooth-gliding wheels hidden beneath a compact 500mm (19.7") circular base, allowing you to move your entertainment setup from room to room with ease.
