

Doing it Right!

RFIVER TF1304 MOBILE TV CARTS

Upgrade your home entertainment with a mobile floor stand that balances rugged industrial strength with refined modern aesthetics. This versatile rolling stand features a beautiful wood-slat column that adds warmth to its matte black steel frame, making it a functional piece of furniture rather than just a mounting bracket. Designed for large-scale viewing, it offers a stable, height-adjustable platform for your largest screens while maintaining a slim footprint that saves valuable floor space.

Screen Size
50" ~ 86"

VESA
800x600mm

Load Capacity
68KGS

Height Range
1147 ~ 1447mm

TV COMPATIBILITY:

- **Extra-Large Capacity:** Specifically engineered to fit massive TVs ranging from 50" to 86" inches.
- **Superior Load Strength:** Built with a heavy-duty frame that supports a maximum weight of 150 lbs (68 kg), plus a media shelf that holds up to 10 kg.
- **Extensive VESA Support:** Compatible with a wide array of mounting patterns from 100x100 mm up to 800x600 mm to accommodate almost any major TV brand.
- **Dual Height Adjustability:** Features a telescoping mount that adjusts from 1147 mm to 1447 mm, with a media shelf that can be positioned between 353 mm and 453 mm.
- **Integrated Cable Management:** Includes a specialized clipping system behind the wood-slat column to keep power and HDMI cords neatly organized and hidden from view.
