360°

Cable Management
YES

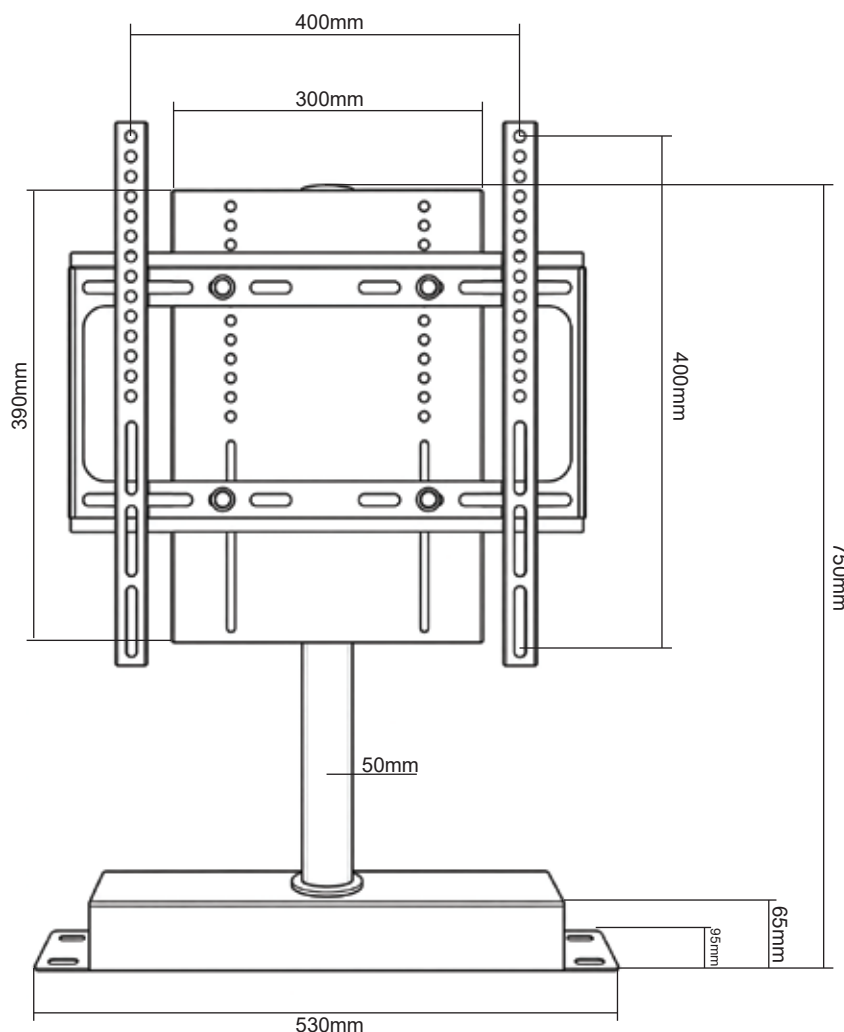

Doing it Right!

TV COMPATIBILITY:

- **360° Smooth Manual Swivel:** Easily adjust the display manually to any angle around a full 360-degree axis for optimal viewing coverage.
- **Flat & Curved Display Support:** Compatible with standard flat screens as well as curved monitors ranging from 32" to 65".
- **Heavy-Duty Cold-Rolled Steel:** Built with robust high-quality cold-rolled steel and finished with a premium powder coating to support displays weighing up to 45 kg.
- **Integrated Cable Management:** Utilizes a 50 mm diameter central column to run cables cleanly through the support stand, eliminating wire clutter.
- **Universal VESA Compatibility:** Supports a wide range of mounting patterns including 200x200, 300x300, 400x200, and up to 400x400 mm.
