

Easel Studio TV Cart

## DESCRIPTION

The Easel Studio TV Cart is a versatile and stylish mobile TV stand designed to accommodate a range of television sizes from 32" to 75". Constructed from durable steel, plastic, and MDF, this TV cart offers height adjustability, swivel, and tilt functions, providing optimal viewing angles. It features a sleek design with an integrated DVD/AV tray, making it a practical solution for both home and office settings. The cart is equipped with smooth-rolling casters for easy mobility, ensuring that your TV can be moved and positioned effortlessly.
