DESCRIPTOINS:

The new solid large full motion mount is constructed with high gauge steel that designed for most 37"-75" flat panel TVs up to 60kg/132lbs. This mount allows you to have your flat panel TV tilted for glare control or optimum viewing angle, pulled out from the wall (615mm extension) and angled towards a separate viewing area. This pre-assembled arm comes complete with integrated cable management and decorative covers to ensure an elegant and tidy look.

FEATURES:

Swiveling Arm(s): offer(s) maximum viewing flexibility (makes every seat the best seat)

Free-Tilting Design: makes easy forward or backward adjustment for better viewing and reduced glare

Built-In Level Adjustment: ensures perfect positioning

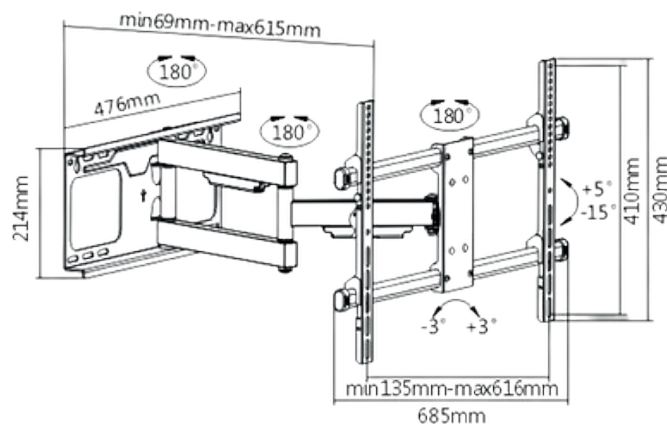

Cable Management: keeps everything organized

Quick-Release Latch: locks/unlocks the display in place

Easy Install Articulating Swivel

Suitable for most 37"-75" Flat Pane TVs.
