Steel Short Throw Projector Wall Mount

Doing it Right!

DESCRIPTOINS:

The TF-SM120/W Short Throw Projector Wall Mount is perfect for most short throw projectors weighing up to 40kg/88lbs. A telescoping arm with a column design enables precise projector positioning for the best viewing angles. Most short throw projectors may be supported by the practical adjustable support arms, and the integrated cable management maintains a tidy appearance. For an outstanding user experience, installation is simple.
