# TF-T55FFS

Table Top TV Stand with Extra Large Display

## DESCRIPTION

The TF-T55FFS Table Top TV Stand is designed to support a wide range of flat-screen televisions, specifically those with screen sizes ranging from 32 inches to 55 inches. This stand is constructed with durable steel, offering robust support for TVs weighing up to 45 kg. It is ideal for users seeking a versatile, telescopic stand that can accommodate various TV sizes without compromising stability or style.

## FEATURES

- Screen Compatibility: Supports most flat-screen TVs ranging from 32" to 55".
- Weight Capacity: Can hold TVs up to 45 kg.
- VESA Compatibility: Compatible with VESA patterns up to 400x400mm.
- Telescopic Function: Adjustable height to ensure optimal viewing angles.
- Material: Constructed from sturdy steel for enhanced durability.
- Design: Sleek, modern design suitable for various settings, including home, office, or commercial spaces.
- Ease of Installation: Simple assembly process with all necessary hardware included.
